SUBJECT : DCI Speaking Arrangements

As I mentioned in our discussion on the 31st of August, I am going to be out of town next week, and I wanted to confirm the arrangements we made regarding my providing you with assistance for coming DCI speeches. Attached is a copy of the schedule your Office has given me which I have annotated. As it shows, I will expect to be in touch with you and Jennifer regarding the DCI's appearances on the 7th and 15th of October. I don't have any calendar for Hank Knoche, but will expect to hear from you if any help is wanted there. Please let me know if I can be of further help -- you can reach me at the beach: [REDACTED]

Dear Mr. Smith:

Thank you for the invitation to attend your Seventeenth Strategy for Peace Conference and to participate in the discussion "De-Militarization of Outer Space," 7-10 October 1976.

I regret that I will be unable to attend, but I am accepting your offer to name my Deputy Director for Science and Technology, Mr. Leslie C. Dirks, to attend for me. I am impressed with the distinguished participants you have invited for the "Outer Space" discussion and I am sure the session will be valuable and informative.

Attached is the reservation request for Mr. Dirks.

Sincerely,

/s/ George Bush

Re: "De-Militarization of Outer Space"
Seventeenth Strategy for Peace Conference
October 7-10, 1976 (Thursday-Sunday)
Airlie House, Warrenton, Virginia

August 11, 1976

Dear Mr. Bush:

On behalf of C. Maxwell Stanley, I cordially invite you to attend our Seventeenth Strategy for Peace Conference. You are invited to participate in the discussion group "De-Militarization of Outer Space" to be chaired by Leonard Meeker, Attorney, Center for Law and Social Policy.

The discussion group will consider current activities and future trends for the military utilization of outer space. Among the issues which may be discussed are the adequacy of the 1967 Outer Space Treaty as a mechanism for controlling the militarization of outer space, the implications of interconnections between the military and civilian space programs, and a possible greater role for the U.S. Arms Control and Disarmament Agency in regard to monitoring military space efforts. What new international policy initiatives can be undertaken by the U.S. to prevent the further militarization of outer space?

As indicated in the schedule, the conference convenes on Thursday evening and adjourns early Sunday afternoon. If you accept this invitation we trust you will make every effort to attend the entire conference as it has been our experience that deliberations are most valuable to everyone concerned if participants are present for all discussion group sessions.

You will be a guest of the Foundation while at the conference (room and board provided). There will be a free charter round-trip bus service from Washington, DC to Airlie House.

We deeply hope you will join us in what should be a stimulating and productive conference in a most attractive setting. For your convenience, a reservation card is enclosed. We urge you to complete the form and return it as soon as possible to secure participation. As noted, spouses are welcome to accompany participants at their own expense.

Thanking you for your consideration and looking forward to hearing from you at your earliest convenience, I remain

Sincerely yours,

Jack M. Smith
Executive Director

P.S. Should it be impossible for you to attend, we invite you to designate someone to participate in your stead.

Dear Mrs. Johnson,

This is to confirm the substance of our telephone conversations of yesterday and today.

The following will accompany the Deputy Director of Central Intelligence, Mr. E. Henry Knoche, to the banquet of the Supreme Emblem Club in San Francisco on September 16:

Mr. Andrew T. Falkiewicz, Assistant to the
Director of Central Intelligence;
Mr. Anthony A. Lapham, Central Intelligence
Agency General Counsel;
One security aide.

We appreciate your and Ms. Stearns' offer to arrange accommodations and to meet Mr. Knoche's party at the airport. Since Mr. Knoche will be arriving early for other business, it will not be necessary to meet him. Mr. Falkiewicz will be arriving separately on September 16 and will contact you at the Hilton Hotel soon afterward, probably in the early afternoon. Accommodations for the party have been arranged from here.

As to seating arrangements at the banquet, we agree that Mr. Knoche should be seated at the head table and that the remainder of his party be seated wherever you designate as near as possible to Mr. Knoche.

My colleagues look forward to their visit with you
and the Supreme Emblem Club.

Sincerely,

MEMORANDUM FOR: Director of Central Intelligence
FROM: Andrew T. Falkiewicz
Assistant to the Director
SUBJECT: Invitation from Lady Elks

The lady Elks are numerous and nice, but there are some reasons for your not addressing this gathering in September:

1. In the original (telephonic) approach, they did not specifically ask for the DCI.
2. It is a big chunk of your time and you will have spoken in San Francisco in July.
3. A large general audience such as this one at the height of the campaign may best be left to your top career associate.

In short, I would suggest Hank Knoche for this one.

Dear Mr. Falkiewicz:

It was indeed a pleasure talking with you on the phone this morning and I sincerely thank you for the information you extended to me.

You advised me to send on to you more particulars in reference to our organization and the particulars of my request. I am happy to do so.

The Supreme Emblem Club is 50 years old. We were chartered in the State of Rhode Island, May--1926, as "the Supreme Emblem Club of The United States of America."

Eligibility: Wives-mothers-widows-daughters and sisters of members of the Benevolent and Protective Order of Elks are eligible to join an Emblem Club upon presentation of an application--proof of Elk relationship, however, I do want to emphasize--we are independent of the Order of the Elks---affiliated only by relationship--we maintain our own By-laws.

We were formed to perform charitable acts and deeds in the communities, the States and the Nation; to unite with all Emblem Clubs in closer bond; to further good fellowship among members; to protect and promote the interests of Clubs, and to bear true allegiance to the Constitution and Flag of the United States of America.

The 50th annual convention will be held in San Francisco at the San Francisco Hilton--September 12th through the 17th, 1976.

On the evening of Sept. 16th(Thursday) the Supreme banquet(semi-formal) will be held at 7:30 in the beautiful convention hall at the Hilton Hotel.

We will have a 10 piece orchestra to entertain us during dinner hour, then we will go into the introduction of the new members.

LUCILE JOHNSON

My request to you, Mr. Falkiewicz, to have your Director or an Officer from the CIA to speak to our group of approximately 2000. Of course the group will consist of our members--however, I am sure there will be approximately 250 husbands included in the estimated number of 2000.

I would appreciate having your Member of the CIA speak to us--the importance of the CIA in conjunction to our beautiful Bicentennial year, at this particular banquet-Sept. 16th, 1976.

I would expect our honored guest to speak to us not less than 15 minutes and not to exceed 25 or 30 minutes.

You informed me on the phone--there would be no monetary gift expected from the Supreme Emblem Club. However--if there is no objection we would be happy to furnish the 1-bedroom suite at the Hilton Hotel--for the speaker and his wife and of course--both would be our dinner guests.

Thank you, Mr. Falkiewicz, for your time and advice. I do hope to hear from you soon--as I am most anxious to have the needed information printed in our Program book. (the program book goes to print real soon)

Most Sincerely,

Lucile Johnson
